Safety Commitments

Working in Sun Country Health Region means working safely

1. Our work is never so urgent or important that we can't take time to do it safely.
2. All injuries are preventable.
3. Excellence in safety leads to excellence in care and service.
4. Management is responsible and accountable for creating a safe work environment.
5. Resources will be allocated to achieve a safe and healthy workplace.
6. Everyone is required to raise concerns about hazards, stop the line when necessary, and refuse unsafe work.
7. Working safely is a condition of employment. Anyone who violates safety policy or performs unsafe acts may be subject to disciplinary action.
8. Safety off the job is as important as on the job. Think safety... always.
