

# How to Handrub

Important Step 1 – Remember – you need to use soap and water to wash hands when visibly soiled

Important Step 2 – Apply a palmful of the product in a cupped hand and cover all of the hand surfaces.

Important Step 3a – Rub Hands – palm to palm

3b – Rub Hands – palm to back of hand

Important Step 4a – Rub Fingers - interlocking

Important Step 4b – Rub Thumbs

Important Step 4c – Rub Back of Fingers

Important Step 4d – Rub Fingertips

Once dry, your hands are safe
